This gorgeous villa is located in a semi-rural urbanization in Benissa. Set on a hill-side with impressive sea and valley views, the popular Spanish towns of Calpe and Moraira which are host to white sandy beaches, many shops and restaurants are just a short 10 minute drive away. Built on a sloped plot, this villa is laid out over 2 levels. Upon entering into the upper level we are greeted by a bright, open entrance hall which connects to the master bedroom with amazing views, two more double bedrooms with an en-suite and a family bathroom with a fitted shower. The lower level is accessed via an internal staircase leading from the entrance hall, down to another hall which leads to a family bathroom with fitted shower, an open and bright kitchen/dining room and a lounge area with large window that offer amazing views of Calpe and the surrounding valleys. Heading outside from the kitchen area, we are met by a large patio terrace which overlooks the pool and sunbathing area. Also to be found here is a shaded seating area with an outside storage room with a refrigerator. This property benefits from under floor heating, an air conditioning system, secure off-road parking with a large carport and a sizeable jacuzzi with amazing valley and sea views....
