Building plot for sale in Javea, Balcon al mar, ready to build with electric, water and road access. Situated in the urbanization of Balcon al Mar surrounded by other villas, a villa of 358m<sup>2</sup> can be built. The urbanization is the area of Cabo La Nao, the most eastern point of Spain, with a viewing point for incredible views and close to the beautiful bathing coves of Ambolo, Porticholl and Granadella. The area is well established with supermarket, restaurant, bars and an excellent Tennis Club but only a 10 minute drive down to the Arenal or Javea Old Town.
