We have three properties for sale, near completion, on a sought after urbanisation, in the Jalon valley. Two bedroom villa for sale Jalon valley, Costa Blanca. The villas are located in a quiet sought after urbanisation in the middle of the Jalon and Orba valley. When finished the properties will be pre-installed for hot and cold A/C plus room to add a pellet burner or a wood burner. Along with two double bedrooms there is a family bathroom, an open plan living room and kitchen. Outside there is a spacious covered terrace looking out over the valley and mountains. The plot or garden is sold as seen and a local garden firm can create a mediterranean garden at minimal cost. All of the properties benefit from the use of the large communal pool and off-road parking. The Jalon and Orba Valleys, on the North Costa Blanca, are popular destinations for those seeking to retire and enjoy a peaceful, Spanish way of life. For those looking for a second home this property is perfect for rental throughout the year, and would make a smart investment. Contact for a viewing appointment
