For sale in the beautiful town of Orba in impeccable condition, this newly built townhouse with large living room, kitchen, three large bedrooms, two bathrooms, one en suite and a toilet. In addition to underfloor heating, the house has air conditioning, a garage with direct interior access to the house and a beautiful, sunny rear terrace on the ground floor. Orba Information: The village of Orba is surrounded by orange, lemon, olive and almond trees. Its local economy is mainly based on irrigated agriculture, especially citrus fruits, made possible by the exploitation of aquifers. Craftsmanship (of Moorish origin) is also of great importance, not only in the making of everyday and ornamental objects, but also for its use in the construction of buildings. Its excellent landscape, mild temperatures all year round, facilities, infrastructure and services and the eleven kilometres to the beach have made Orba a very popular tourist spot.
