These new villas for sale are excellent value, starting at just 199.000 Euros!!! Now under construction and expect to be finished for the summer of 2021 finished to an excellent quality. A small exclusive corner of El Verger, there will be 6 new semi detached villas constructed within a short walk of a handful of restaurants and a very short drive or a brisk walk to the villages of Els Poblets, El Verger and the fantastic sandy beaches of Las Marinas. Within a 15 minute drive is the bustling center of Denia with it's abundance of attractions. Each villa will have it's own off road parking access via an electric gate but the new semi detached villas all differ slightly in position but all have 3 bedrooms, 2 bathrooms and a bright, open plan living, dining and kitchen that enjoy patio doors that open to the terraces and private garden where you can opt for a private swimming pool at an extra cost. The cost of the pool depends on your size and specification requirements. One added bonus is the 110 m2 roof sun terrace accessed via a stairwell, offering a wonderful space to enjoy the sunshine. The new villas for sale are at an incredible price and are offered with PVC double glazing, fitted...
