In one of the most spectacular natural places in the north of the Costa Blanca, near the Bay of Granadella is this stunning, modern villa. Consisting of 5 bedrooms and 6 bathrooms with a 11x3.5m pool outside, underfloor heating, safety glass. The villa comes partially equipped with video camera surveillance and a modern intelligent housing system that integrates and connects various technical functions throughout the house to facilitate both its use and supervision. The construction of this fabulous villa is underway and photographs of the progress can be provided on request.
