Reduced from €295,000 to € 250,000. Built in 1900, this beautiful historical Spanish townhouse is located in the heart of Pego and offers huge investment potential. The townhouse has 3-storeys distributed on 426m². Each floor has four bedrooms, one bathroom, a kitchen and two balconies, on the front and one looking out into the interior patio. The property is very spacious and airy and offers traditional high ceilings with wooden beams. All the windows and doors are still the original ones, made out of mobila wood, keeping the historical touch as soon as you enter the property. The old ceramic floor tiles, so as the large marble staircase with wrought iron, show that the property still has the original fixtures. The townhouse benefits of a large solarium terrace with stunning views over Pego and it's churches so as the sea and the surrounding mountains. The property is located within walking distance to all amenities, such as bars, shops and restaurants. This townhouse could be easily converted into a classy, historical boutique hotel, B&B, or just divided into apartments. The viewing of this property is highly recommended!
