Lovely first-floor apartment with two bedrooms and two bathrooms in a stunning complex in Javea. Very well located within walking distance to the beach and one step away from the old town and the port. An entrance hall greets us and gives us access to the spacious living/dining room which is connected to a nice terrace with views of "El Mongo" mountain. Then we have a separate fully-fitted kitchen and attached to it, there is a laundry space. There are two very light double bedrooms, one with an ensuite and both with fitted wardrobes. There is also a good size family bathroom. The property also benefits from two stunning communal swimming pools, one external with the other being heated, gym, jacuzzi, tennis court, garage, storage room, and floor heating.
