Large building plot for sale in Moraira Benimeit on the Costa Blanca. The property captivates by its great view and the traffic-favorable situation, which makes it possible for you to reach within 5 minutes by car the historical city center of Moraira. Furthermore, you can enjoy the quiet location in an urbanization on the outskirts of the city, which also spoils you with numerous trees and green areas. Are you interested in further details of this building plot in Moraira Benimeit? Our international consulting team will be happy to answer any questions you may have about this and any other properties in our group!
