It's nicely positioned on a slightly elevated position with a rural feel, but only 5 minutes drive to the sea and amenities. It has nice views to the sea and Bernia mountains. The property consists of the majestic master house and a separate guest house with its own pool and access. The master house consists in the ground floor of an entrance hall, leading into an open plan lounge with fire place and dining area. Off the dining area we come into the glaze in naya, which is used as dining room. In front of the lounge is a big covered naya overlooking the garden and pool. Next to the dining area we find the spacious fully equipped kitchen. Also on this floor there is a bedroom and a bathroom. Following the sweeping stair case we get to the sleeping area. There are 2 spacious double bedrooms, both leading on a balcony, a study and a dressing room, as well as an oversized full bathroom including a sauna. Attached to the main house,...
