This modern villa is built on a flat plot with views to the M6ntgo and a bit of sea view. It is located in the popular residential area of Piverd, Javea. The villa has everything on one level and consists of: an open plan lounge-dining room with a very nice and well equipped kitchen. Next to the kitchen is a pantry with a separate access door. The living room has huge sliding doors that open to the maximum. The adjacent terrace is huge, a part of it is covered. A few steps down is the pool level with a huge terrace and barbecue area. Inside there are another 4 bedrooms and three bathrooms. The master bedroom has a walk-in closet and is en suite. The entire house has automatic blinds, under floor heating and has great finishes. The garden is landscaped with mature palm trees. The parking is gated. An under build can be converted into a separate apartment or large storage area..
