Fantastic villa with five bedrooms, four bathrooms, air-conditioning, private swimming pool, and breathtaking views in Javea. This property stands on a large plot with mature trees and plenty of parking space. We enter from a nice terrace - with open views of the surroundings and the swimming pool - into the ground floor. Here there are three bedrooms, two bathrooms, and a laundry room. The master bedroom is an en-suite and has access to the terrace. Up a staircase we reach the next level where there is the open plan living/dining room full of natural light coming from the terrace with the best views. Closeby there is a separate and fully-fitted kitchen. On this level, there are also two good size bedrooms, one of which is an en-suite, and a complete bathroom. Javea is a very popular and multicultural town with all services you need and plenty of amenities such as golf courses, aquatics sports, restaurants, bars, and nightlife. Javea is well known for its sandy beaches and its El Cap de la Nau and Cap de Sant Antoni natural reserve.
