REDUCED 40,000 Euros. El Rafalet urbanisation, in Javea, is in very high demand mostly due to its peaceful, quiet atmosphere, its superb location and the amazing views accessible. We present you here with an urban building plot in Rafalet, with a surface of 1060 square metres and the potential to build a house of 212 square metres. The plot is free of builder and it comes with lovely views to the Montgo, while located in a cosy, quiet area.
