Fabulous, spacious, renovated villa for sale in Los Cerezos, close to the golf course in Javea. This villa is distributed over two separate floors on a plot of two levels and situated in a quiet cul-de-sac. You enter the property into a gated parking area for 3-4 cars, here is the entrance to the guest level. Up a gated staircase you reach the principal level of the property, through the front door you enter into a utility area and then into the striking kitchen. This modern kitchen is fitted with Zebrano coloured units, pale grey worktops and Bosch stainless steel appliances, and also has a wooden breakfast bar. The kitchen is open to the living room, a spacious room with feature fireplace including a new wood-burner and arches through to the glazed naya with lovely views and wonderful sunsets which is used as a dining room. Through doors in the entrance and the living room you enter a long hallway with a large tall storage cupboard and then next to it a superb house bathroom including a freestanding bath tub. At the end of the hall is the master bedroom a spacious room with lovely views, sliding glass doors to a balcony, built in wardrobes and a modern en-suite bathroom with a walk-in shower. To...
