Reduced from €165,000 to €160,000. Immaculate apartment with three bedrooms and two bathrooms in El verger, close to all amenities and just a 5-minute drive away from the beach. We access the property through an entrance hall into a cozy and very nicely decorated living/dining room with plenty of natural light coming from the balcony with open views of the mountains. Closeby there is a separate and fully-fitted kitchen. Through a hallway there are three bedrooms, all with fitted wardrobes and a complete bathroom. The master bedroom has an ensuite. The traditional town of El Verger is home to a whole host of schools, shops, restaurants, and other local amenities. Very popular for its sandy beaches, El Verger is very well located, just a short drive to Denia and Gandia.
