Key ready front row beach villa will be completed by the mid of 2024 and is just a stone's throw from the sand and sea. Walking distance to restaurants, 3 km to Mercadona and only 1.3 km from Club Nautico of Oliva. The property consists of 2 - 3 bedrooms, depending on whether you want a gym or a bedroom in the basement, and 4 bathrooms. High quality materials are used on four levels. One of the highlights is the roof terrace with 100% panoramic sea view. A cold-warm air conditioning system will be installed in the house and on the first floor external blinds will protect from the sun's rays. High quality tiles with mosaic details will be installed in the wet area. Terraces, parking space and a heated pool are also included in the purchase price. Please ask for a detailed exposé. There is a private beach access right next to the property.
