Nice townhouse with three bedrooms, two bathrooms and a private patio in the traditional town of Benidoleig in the heart of Orba Valley. The gate opens into a cute and south facing patio perfect for having the most of the Mediterranean lifestyle. From here we entered the property into a spacious living/dining room with windows to the patio. Next there is a separate kitchen with an adjacent space used as a laundry room. Here there is also a guest toilet and a door to the back street. An internal staircase leads into the first levels where there are three bedrooms, all with fitted wardrobes, and a family bathroom with a bathtub. The master bedroom is an ensuite and access to a private terrace. The property benefits from a gas central heating and a roof terrace perfect for accommodating a hot bath or a chill-out area. Benidoleig is a traditional Spanish village with a multicultural community between Pedreguer and Orba and close to the sandy beaches of Denia. This popular village is famous for its prehistoric cave "Cueva de las Calaberas", but also has all services you will need such as shops, medical centres, schools, bars, and restaurants.
