This is a unique property with two independent accommodations with five bedrooms and three bathrooms in total located in a very popular area near Ondara and all its amenities, and just a short drive away to Denia and its wonderful beaches. A staircase leads us into the main property which is tastily refurbished using high standard materials. Here we find an open space full of natural light and personality. The lounge blends with the dining space which hosts a large table perfect for family meals. Then we have a fully-fitted kitchen with all necessary appliances and a breakfast bar. From here, we have access to a nice balcony with open views of the orange groves and the Montgo mountain. On the other side of the house there are two good size bedrooms and a complete bathroom with shower. The master bedroom has a walk-in wardrobe and a private bathroom. The ground floor has the same foot print and comprises an open living/dining room with an open fire place and a bar. Nearby there is a separate and fully-fitted kitchen. On this level there are three good size bedrooms and a family bathroom. Outside there is a very easy-to-maintain garden and a nice swimming pool terrace where you can enjoy summertimes. There is also a back terrace...
