Home España is happy to offer you this completely modernised complex in Dénia (near Tossal Gross) which consists of 72 apartments with communal gardens and a communal swimming pools. The three-storey building (without lift) offers two-bed and one-bed apartments where some of them benefit from a large ground floor terrace, others from balconies, and the 3rd-floor apartments have a private solarium. All properties are east-facing and have morning sun. The ground floor gardens have south facing gardens that get the sun and the penthouses have roof solariums that have sun all day. The expected completion is in Spring 2024. You can choose between different kitchen and bathroom types and there is also the option to choose some other styles at extra cost. All properties have a parking space included and the villas have two spaces. Feel free to ask us for more information and to arrange an appointment to view them. Denia is still an undiscovered treasure with more and more international tourists coming over each year. It has a large town centre with Spanish charm, yet with so much to offer as a holiday destination. A fantastic long sandy beach and beautiful marina as well as a historical castle. There are plenty of schools in the area if you are looking to relocate with a young family. Come
