Several 2 bedroom flats for sale in Calpe close to the beach. The flats are part of a 23-storey residential tower built in 2009. The building is very close to the famous La Fossa beach with its promenade with restaurants and bars. There is a lift in the building and it has communal swimming pools for adults and children. Each flat consists of a living-dining room with access to the large terrace, separate kitchen with door to smaller terrace, 2 bedrooms and 2 bathrooms (1 en-suite). The flats have air conditioning. All flats have sea views (the higher, the better the view). The price is a starting price. There are also 1 bedroom flats for sale (ref. CA.A-026). The photos are of the show house (1 bedroom) and show what the flats may look like after renovation. Each flat differs in quality, view and price.
