These 5 bedroom, 4 bathroom luxury villas are to be constructed by the summer of 2025. The properties are built over two levels and located in a the tranquil and popular area of Portixol in Javea. There are 3 plots to choose from, subject to availability. All the villas come with solar panels, fully fitted hot and cold air conditioning, a fireplace, outdoor kitchen, off-road parking for 2 cars and pre-installation of heating for the swimming pool. The kitchens come fully equipped with top brand appliances. If there is anything that makes Javea stand out, it is its wonderful beaches and coves, with crystal-clear waters. Beautiful coves such as Granadella, Ambilo or Portitxol makes Javea one of the most paradisaical corners of the Mediterranean.
