Traditional Spanish townhouse in the heart of the village of Oliva, with four bedrooms and two bathrooms, within walking distance to all the necessary amenities. We enter through large wooden doors and are greeted by a bright hallway. On the ground floor, we find a double bedroom, a lounge, a separate dining room with a log burner, a spacious kitchen with pantry, and a bathroom. From the kitchen, we have access to a small indoor patio. Above the kitchen, there is another room used for storage. The traditional marble staircase leads to the first floor, where we find two double bedrooms and a bathroom. The master bedroom is very spacious and has two Juliette balconies looking onto the street. On the second level of the property, we have another bedroom and a laundry room from where we also have access to another terrace. This property still maintains all the traditional features such as the design on the ceilings, the wooden doors, the staircase, etc. It is located just next to the Paseo de Luis Vives, where we can find all the necessary amenities such as supermarkets, Oliva's central market, restaurants, bars, etc. The closest beach can be reached within five minutes by car and the airports of Valencia and Alicante are an hour's drive away.
