This villa, located in a unique setting in the Cumbre del Sol urbanization, is spread over two floors. The main bedroom occupies the entire top floor, providing additional privacy. With its own en-suite bathroom and private terrace, you can enjoy views of the sea and the horizon while relaxing in the tranquility of your own oasis. The ground floor of Villa Isora is configured in an L-shape. This functional layout, formed by two wings, offers a sense of space and privacy in equal measure. In one wing, there are two bedrooms with en-suite bathrooms and direct access to the terrace. In the other wing, the open-plan kitchen with the living-dining room with a glass wall allows you to enjoy the sea view while cooking your favorite dishes. Additionally, this wall can be opened at an angle, extending the space outdoors and creating a seamless indoor-outdoor living area. The Mediterranean garden, with its crystal-clear infinity pool, is the perfect place to relax and unwind from the daily routine. The combination of light, space, and design creates a dreamlike atmosphere that transports you to a world of peace and well-being. In summary, Villa Isora is a true gem on the Costa Blanca North, a luxury villa that will delight the most discerning guests and provide them with a unique and unforgettable living.
