Ocean Suites Altea is a gated, residential complex of 13 luxury apartments with stunning views, located in one of the most beautiful and sought-after areas of the Sierra de Altea. The apartments boast spectacular terraces and offer breathtaking panoramic views of the Altea Bay, Altea La Vella, Benidorm, El Albir, and more. The apartments have a built area ranging from 575 m² to 900 m² with spacious terraces ranging from 120 m² to 300 m². The interiors, the result of careful study by professional architects and interior designers, fulfill every dream. Each apartment features 3 bedrooms with built-in wardrobes, 2 bathrooms with bath and shower for exclusive use, and a guest toilet. The master bedroom of approximately 51 m² has a large en-suite bathroom with shower and bath and a spacious dressing room. All 3 bedrooms have direct access to the terrace and offer fantastic sea views. The bathrooms feature sanitary ware from Duravit, faucets from Hansgrohe, tiling from the Italian brand Trend, and worktops from Corian®. The kitchens meet the highest standards and quality, like the entire project, with Miele appliances and high-gloss lacquered cabinets. The centerpiece of the apartment is the living and dining room of over 63m². Various atmospheres are created by the special lighting, and a projection screen transforms the space into a cinema hall.
