Off the living room, there is a separate fully-fitted kitchen with all necessary appliances and modern and functional design cabinets. Through a hallway, there is a double bedroom with a walk-in wardrobe, an ensuite, and direct access to the swimming pool area. On this level, there is also a guest toilet. An internal staircase leads us to the first floor where there are three good size bedrooms and a complete bathroom. All bedrooms have fitted wardrobes and access to the large terrace overlooking the valley, perfect to accommodate a chill-out area. The master bedroom also has an ensuite. Back in the living room, sliding doors open onto a very nice swimming pool terrace overlooking the town, the mountains, and the sea. The property benefits from solar panels, ducted air conditioning, underbuild (that is currently used as a gymnasium), a carport for two cars equipped with a
