We access the property into a bright and spacious living/dining room with sliding door to a large conservatory, perfect for enjoying the winter sun or used during the summer times as a dining room. The independent fully-fitted kitchen is connected with the lounge by a breakfast bar and has access to a utility room. On this level there is a bedroom and a shower room. Up an internal staircase we reach the next level where there are three good-sized bedrooms all with fitted wardrobes, and two bathrooms (one with a bathtub and the other one with a shower). Two of the bedrooms have a shared south-facing terrace, while the master bedroom has its own private terrace overlooking the swimming pool. The property benefits from a beautiful private patio with doors to the well-maintained communal garden, with mature trees and three stunning swimming pools in the middle. This fantastic house also has air-conditioning, pellet burner, double-glazed windows and a carport (for two cars).
