A beautiful four-bedroom and three-bathroom townhouse in a great location in the old town of Oliva. Entering the property we are met with the first of four bedrooms on the right-hand side and to the left-hand side we find another room that could be used as an office or has many possibilities. Both rooms benefit from new double-glazed tilted windows that are virtually full length and allow lots of natural light to enter. We are then met with the spacious lounge area equipped with a log burner. From here we find the modern kitchen and just off from here is the separate dining area. Next, we find another kitchenette and a standard family bathroom with a shower cubicle and another family bathroom that has been completely reformed. Moving up to the second floor we find three more double bedrooms, the master bedroom being equipped with hot and cold air conditioning and access to the terrace. There is also another family bathroom on this level. The outside terrace is very spacious and here you can enjoy the sunshine whilst relaxing but not only that, here we find a separate area which is ideal for guests and has a lounge area that could also be used as a fifth bedroom and also has a kitchenette and hot and cold...
