This elegant semi-detached villa in Moraira is part of an exclusive collection of six luxurious villas within a gated community. Upon entering through the automated gate, you'll find two carports available for use. Inside, the villa offers complete privacy within a fenced plot of over 500 square meters. The ground floor boasts a beautifully designed open kitchen and a laundry room equipped with an additional refrigerator, washing machine, and dryer. A conveniently located guest toilet is also on this level. The home's layout revolves around a bright internal courtyard, ensuring the living spaces are bathed in natural light. The living room features large sliding doors that retract completely into the wall, creating a seamless blend between indoor and outdoor spaces. This design allows you to fully embrace outdoor living, with the living and terrace areas merging effortlessly. The property includes a heated pool with an electric cover, perfect for swimming even during sunny winter days. Beneath the terrace, a charming guest apartment with a bathroom provides extra accommodation options. Upstairs, the villa offers several bedrooms, each with access to a private terrace, ensuring outdoor space for all occupants. Additionally, there are two bathrooms on this floor, both featuring showers and toilets. The villa is sold fully furnished, making it an ideal home for
