Country estate in Pego with lovely open views. This villa has been constructed in 2011 with high quality materials, is well insulated and distributed all on one floor. There are 3 bedrooms, 2 bathrooms, 1 guest WC, 1 living room, 1 dining room, 1 kitchen, 1 laundry room leading to another kitchen in the naya with glass curtains. All rooms are of generous size and equipped with air conditioning hot/cold function. A very efficient feature log burner provides a further source of heating for the entire house. Travertino marble decorates tastefully all floors. The flat and very private plot of 6000 sqm is all fenced and gated with automatic gate. Many fruit trees surround the Mediterranean garden, which is fed by an automatic watering system. The large pool of 4x10 m is surrounded by sun terraces, here sun can be enjoyed all year round. There is an outdoor shower with hot and cold water. A cabana is located close to the pool with guest accommodation with one bedroom and a bathroom. Next to the cabana is a terrace with a BBQ corner with a typical Spanish bread/pizza oven. There are plenty of storerooms, a workshop and a garage. We recommend viewing of this villa.
